SUBJECT — Extension of Municipal boundary - Harihar Town Municipality

---

I have the honour to state that the existing boundary of the Harihar Town Municipality ~~fer~~ sanctioned by Government in the year 1908, is stated to be in close proximity to the growing town of Harihar and that this has afforded scope for the leakage of octroi and Toll revenue of the Municipality

2 With a view to prevent the leakage of revenue under Octroi and Toll revenue by extending the boundary line, the Municipal Council considered the question at their meeting held on 30th August 1941 and passed a resolution that the existing boundary of the Municipality ~~mxghk~~ as per the details noted in the sketch (enclosed to the records) might be extended (vide resolution copy enclosed in the records)

3 The President reports that due attention has been paid to the suggestions of the Director of Industries and Commerce, Bangalore for including adequate space for the springing up of the Industrial concerns like the Establishment of the

Kirloskar Wadia and the establishment of Groundnut and other factories within the Municipal limits of the Town

4 The draft notification in English and Kannada received in connection with the proposed extension of the boundary of the Harihar Municipality is enclosed herewith for kind reference

5 I request that sanction of Government may kindly be obtained to the proposal of the Harihar Town Municipal Council for extending its existing boundary in accordance with the enclosed draft notification as required in Section 7 of the Town Municipalities Act 1933

6 The entire records received from the Municipal President, Harihar (vide his report No H C 18/41-42 dated 12-9-41) are forwarded herewith
